

Delivery Prices

The starting rate for deliveries is \$75. This includes basic round-trip delivery to and pick-up from a loading dock, garage, or carport. If the delivery includes climbing steps, an elevator, or a unreasonable walk from where we can park our delivery vehicle, there is an additional fee. Rates increase as distance from our warehouse increases.

Delivery fees include a four-hour window of time in which to deliver and pick up during normal business hours. If we must arrive within a one-hour window of time, a \$100 surcharge will be added to the delivery fee. Please note that it is not mandatory for the customer to be present for delivery as long as our crew has access to a secure area that is protected from possible inclement weather.

*In extreme busy seasons, we may not be able to offer less than the four-hour window option.

Weekend and late-night deliveries/pick-ups are also available at an additional charge. Weekend pick-ups are \$250 or 10% of the rental total, whichever is greater. Night pick-ups prior to 11 p.m. are also \$250 or 10% of the rental total, whichever is greater. Pick-ups taking place after 11 p.m. will be charged \$350 or 10% of the rental total, whichever is greater.

Items that require assembly such as tents, stages, and dance floors include set-up and tear-down in the rental fee. Set-up of tables and chairs are available for an additional fee of \$1.00 per table, \$.30 for plastic folding chairs, and \$.50 for all other chairs. Tear-down is available at the same rate as set-up. These arrangements must be made prior to delivery on a case-by-case basis if time and labor permits. A site plan must be provided if you wish for us to set up tables and chairs.
